

DCS WARRIOR

Vessel

FLAG : Netherlands (NL)

PORT OF REGISTRY : Vlissingen

YEAR BUILT : 1986, Major Refits 1995 and 2011

CALLSIGN : MDPI5

MMSI : 232017278

CLASSIFICATION : MCA Cat. 2 - 60 miles

DCS WARRIOR is a fast and robust vessel, designed to provide comfort to passengers and crew for a wide range of activities. With its luxury accommodation and safe deck conditions for boarding, it is highly suited for tender services. Precision manoeuvrability with its variable pitch propellers and thrusters, as well as availability of the spacious fore and aft deck and hydraulic crane, offer opportunities for transfer of stores, survey activities etc.
